BISHOP DAVID J. WALKOWIAK ASKS US TO PRAY FOR OUR SEMINARIANS

We especially pray for:
Jacob Beers
University of
St. John Vianney Seminary
2115 Summit Ave.
St. Paul, MN 55105

Loving God,
Raise up dedicated leaders who will shepherd your people and guide them to your Son. Give generous and willing hearts to the seminarians of our Diocese who have heard your call to live a life of service to the Church. Help us to encourage and support them as they strive to become priests who are models of discipleship, possessors of wisdom and on fire with love for your people. We ask this through Christ our Lord. Amen.

Phil Salmonowicz was the former pastor. Effective July 1, 2017, it will cease to be a parish program. This does NOT mean in any way that the activities that it promotes are not worthwhile nor that its funds are being mismanaged. It does mean, however, that since neither the pastor nor the parish finance councils have control over the management or use of the funds of the Fr. Phil Legacy Project, that neither the pastor nor the parish finance councils can take responsibility for the management or use of those funds.)

The Diocese of Grand Rapids' Office of Communication relays the following statement in response to the shooting at Baptist Church in Sutherland Springs, Texas:

Bishop Walkowiak is saddened by the news of this senseless shooting that occurred at the First Baptist Church in Sutherland Springs, TX. As cardinal Daniele N. DiNardo, of Galveston-Houston, president of the USCCZB said: "Earlier today, we heard of the mass shooting at the Baptist Church in Sutherland Springs, TX. With Archbishop Gustavo Garcia-Siller, I extend my prayers and the prayers of my brother bishops for the victims, the families, the first responders, our Baptist brothers and sisters, indeed the whole community of Sutherland Springs. We stand in unity with you in this time of terrible tragedy — as you stand on holy ground, ground marred today by horrific violence. We ask the Lord for healing of those injured, His loving ear for those who have died and the consolation of their families. This incomprehensibly tragic events joins an ever-growing list of mass shootings, some of which were also at Churches while people were worshipping and at prayer. We must come to the firm determination that there is a fundamental problem in our society. A Culture of Life cannot tolerate, and must prevent, senseless gun violence in all its forms. May the Lord, whom Himself is peace, send us His Spirit of charity and nonviolence to nurture His peace among us all."
